

Welcome to T.U.G. 2023!

As always here is your really long Welcome letter! Please read this letter carefully and make sure that all your teammates receive a copy. I apologize for the length, but Biola is very picky and we would like to make sure that we can keep coming back for years to come. In order to help retain this venue we ask that you strictly adhere to the following (see page 2 for all the fun stuff):

- 1. ABSOLUTELY NO SMOKING OR ALCOHOL ON CAMPUS.** Biola is a smoke-free campus, including Vape and E-cigarettes. (A footbridge behind the parking structure leads off-campus, if you wish to smoke.)
2. There is a designated potty area for your dogs. Please use only that area and be sure to pick up after your dogs.
- 3. DO NOT TAKE OR ALLOW YOUR DOGS ONTO THE TRACK OR SOCCER FIELD!!!**

You will find directions to Biola University, along with other useful information, by clicking on our Tournament page at www.surfcityflyball.com. Our event is held in Parking Structure S (see map on page 3). There will be designated unloading areas. **DO NOT STOP IN THE STREET PARALLEL TO THE STRUCTURE. This is a street with no room for parking! If you park there you will be subject to ticketing and/or towing.** Designated parking for our event is on the 2nd level of the parking structure. Please note that the covered parking garage across the street from the racing venue is **NOT** designated for our event. There will be other events occurring on campus at the same time as our event using that parking lot. The lot behind the parking structure is for the **RV campers only**.

SET UP - Friday afternoon between 3 and 7. Please do not arrive earlier than 3pm. Crating is allowed only within the parking structure and there is plenty of room to fit all teams.

RV CAMPING - Requires a reservation which must be received by this Wednesday, July 26, 2023. The reservation form also has a link to a waiver which must be signed and given to Surf City. Please come find a Surf City member **before you park your rig**.

LUNCH – We will once again have an “All you can eat lunch” available at the cafeteria which is building #23 on the map. The lunch is \$10.00 and includes a drink as well as ice cream and other desserts (Yum!). This lunch deal will be available from 11:30am - 1:00pm on both Saturday and Sunday. **You will need to pre-purchase lunch tickets from us.** You can eat in the cafeteria or use a to-go box; if you wish to take the food “to go” you will be given a box, but you may not return for seconds. We will have tickets for sale on Saturday and Sunday mornings until 10am at the hospitality table and then at the head table. We will also have morning hospitality with coffee, orange juice, donuts, fruits, etc.

RAFFLE – We have a fantastic raffle planned for you (our best ever!) on Saturday so be sure to bring your \$\$ so that you do not miss out!

Venmo and **PayPal** options will be available for both lunch and raffle tickets

MYSTERY RACE – We will once again have a randomly chosen Mystery Race on Saturday only with a prize that you won't want to miss out on! More information about that at the Captain's meeting.

VENDORS! We will have 3 awesome vendors both days –

Tiffany with Running Dog Designs - <https://www.facebook.com/runningdogdesignsinvegas/>

Malinda Hall Malone

Jan Robinson with FitWOOF - www.fitwoof.com
